

MEDICAL ONCOLOGY

Welcome to the Dyson Center

**Our goal is to provide you
with excellent care.**

Your care team is here for you around the clock, not just during office hours. Patient safety is our priority. We strive to keep you out of the emergency department and to limit hospitalizations. Please tell us early and often if you ever do not feel well.

The sooner we know your concerns, the quicker we can care for your needs.

Helpful tips to keep in mind

Our staff serves as your advocate, and we respect your individual needs. We care for you, the person, while treating your disease.

It's important we understand how you are feeling. If something doesn't feel right, please let us know as soon as possible.

We are with you every step of the way. Please ask questions throughout your care journey. We want to ensure you and your caregiver feel comfortable and informed.

We want to hear about your experience. If something doesn't feel right, please tell us, so we can make it right.

Please call your medical oncology care team at (845) 483-6001 any time you need us.
